ABOUT CARDINAL WARRIORS

Established in the year 2021, Cardinal Warriors is the First School with Military Discipline in Chhattisgarh which is managed by the Swami Radhe Krishna Academic Society and is dedicated to nurturing responsive and motivated students through a dynamic & success oriented education program which empowers the students to gain an indigenous as well as global perspective on various aspects. We are a co-ed residential private military school with JOSH AND HOSH. Our school places a high value on fostering an environment that is upbeat, welcoming, and enjoyable for both its cadets and its faculty members.

We prioritize fostering mutual respect and care between the teaching staff, students, school facilities, and visitors. Our campus spans 5 acres and is equipped with state-of-the-art infrastructure, including classrooms, boarding, and sporting facilities, along with squad posts, sports fields, and obstacle courses. The school is supported by a dedicated team of educators and retired military personnel who guide the holistic development of students, covering academics, military discipline, sports, and cultural activities.

ORGANISATIONAL STRUCTURE

The Motivation to establish **Cardinal Warrior School** is to serve as an ideal residential education institution for the career oriented cadets, focusing not only on academics but simultaneously on **JOSH and HOSH** which was envisioned by two main pillars

CARDINAL WARRIOR

At Cardinal Warriors, we shape future leaders through a unique blend of academic excellence and military discipline. Our state-of-the-art campus, comprehensive curriculum, and value-driven education create a nurturing environment where students thrive as responsible citizens and resilient achievers.

Mission

Our mission is to inspire and motivate every student who enters Cardinal Warriors, helping them embark on a journey of self-discovery. We aim to prepare them as leaders and national assets by focusing on holistic development, discipline, and character building

ViSion

At Cardinal Warriors, we envision being the best Sainik school in India, where boys and girls develop mental strength, resilience, and responsibility. As a military school for girls and a military school for boys, we take pride in creating equal opportunities for all, ensuring that every student is college-ready and future-ready.

Value

Discipline, Respect, Courage, Honor, Commitment, Continuous Improvement, which enables the cadets to the highest ethical and moral standards, inculcating the feeling of respect for others, to face the obstacles in their path without having fear in their mind and to overcome them, will do what is right, no matter what the consequences are... and never ever give up.

DIRECTOR'S DESK

Major Pravin Singh

The first private Military was started in the Pre-Independence Era in 1935 by the Central Hindu Military Education Society. Sainik Schools were introduced in the year 1961 in line with the erstwhile Royal Military College now known as Rashtriya Military College at Dehradun.

Apart from RIMC, there are 33 government-run Sainik Schools, 5 RMS, and about 33 state-aided private military schools in Maharashtra. These schools are limited in number and have reservations and limited seats which makes it impossible for all aspirants to clear AISSEE (All India Sainik School Entrance Examinations).

As a solution, the Sainik School Society has planned to facilitate private NGO-run schools so that aspirants can undergo military training. Cadets are trained and motivated to join the Armed forces through NDA + SSB (National Defence Academy Exams & Service Selection Board Interview) after class XII or pursue other career options like IIT/JEE, NEET, etc.

Our team of officers offers METTALS (Military Education Tactical Training Academic Learning and Sports) curriculum to inculcate self-discipline, good habits, and leadership traits called as OLQs (Officer Like Qualities).

These Military ethos and virtues of Nationalism and Patriotism with strong willpower are being inculcated in cadets of CARDINAL WARRIORS PRIVATE MILITARY SCHOOL WITH JOSH AUR HOSH to become PHYSICALLY FIT, MENTALLY ALERT, AND MORALLY STRAIGHT.

Your decision to let your child undergo hardship in training days will shape and groom your wards so that they will be at ease while facing the challenges of life after school days.

JAI HIND

FROM PRINCIPAL'S DESK

In the journey of life, your education is the map, and your determination is the compass , Navigate your path wisely

Greeting to all.....

Marching forward with unwavering principles of honor, discipline, respect, courage, commitment, and continuous improvement, Cardinal Warriors Pvt. Military School, Raipur, is dedicated to instilling the highest ethical and moral standards in its cadets. In a pluralistic country like India, often segmented by caste, religion, region, and wealth, these differences are embraced as sources of strength rather than division. Nation-building begins in the classroom, where social values can be nurtured and revived, making this institution's establishment a timely and transformative initiative.

At Cardinal Warriors, we are scaling new heights through the guidance of esteemed professionals, fostering excellence in both curricular and co-curricular pursuits. Our school is more than a center of academic learning; it is a catalyst for personal and societal transformation, promoting values such as patriotism while helping cadets master subjects and competencies for life's challenges. We strive to unlock the full potential of every child, honing their talents to ensure they excel in all areas of life.

Our day begins with physical training designed to eliminate physical and mental weaknesses, setting a positive tone for learning and growth. We aim to shape cadets who are brave, brilliant, focused, and discerning—prepared to distinguish right from wrong and pursue their goals with eagle-eyed precision. Cardinal Warriors is committed to building a generation ready to transform their lives and contribute meaningfully to society.

WHY CHOOSE US

Learn with
CARDINAL WARRIORS
and let your child grow with
JOSH & HOSH

Physically strong, mentally sharp and upright in morals

- Students who need hands-on attention
- Students struggling academically
- Students who thrive in a social environment
- Students who require structured training
- Students with an athletic mindset

The key advantage of attending a military school is that students develop the ability to handle higher levels of physical, mental, and social stress compared to their peers. These schools offer high-quality education that appeals to grounded and mature parents and students. Their mission is to shape capable citizens who become national assets and the pride of their families, communities, and country.

OUR GOALS

To help younger cadets not only excel academically but also develop discipline, respect, and dignity in their daily lives.

- Help younger cadets excel academically while fostering discipline, respect, and dignity in their daily lives.
- Shape each cadet into a more effective citizen, overcoming any constraints posed by their individual circumstances.
- Support parents in enhancing their children's lives and futures by offering comprehensive assistance.
- Through our JOSH concept, cadets will learn not only through military drills but also through sports and activities that hold real-world significance.
- To cultivate leadership, teamwork, and a sense of responsibility in cadets, preparing them to become confident and capable leaders in all areas of life.
- To foster a well-rounded education that emphasizes both academic excellence and physical, mental, and emotional development, ensuring cadets are equipped to face future challenges.

WHAT MAKE US UNIQUE

*Cardinal Warrior Provide activity for Preparing **Young Minds** for a **Boundless Tomorrow***

FUTURE-READY SKILLS

Preparing young minds with the essential tools for success in a world.

The institution is dedicated to educating and empowering young minds by providing them with the essential 21st-century skills needed to thrive in the future. The school curriculum focuses on academic excellence while offering ample opportunities for students to develop their soft skills through extracurricular activities and sports competitions, promoting a vibrant multisport culture.

In the 21st century, it is crucial for cadets to develop new skills daily, including creativity, analytical thinking, communication, personality development, and overall physical and mental growth. A cadet should actively engage in the classroom, ask questions, and demonstrate curiosity, as this involvement is key to helping them realize their life's ambitions.

FUTURE LEADERS

HOW MILITARY SCHOOLS SHAPE A COMPLETE INDIVIDUAL

- Foster intellectual curiosity, creativity, and independent thought through a rigorous academic curriculum, preparing cadets for post-secondary education challenges.
- Cultivate technological literacy, enabling cadets to gather, evaluate, and analyze facts to draw meaningful, ethical conclusions.
- Instill a strong understanding of civic responsibility and a commitment to service.
- Equip cadets with the ability to adapt to change and solve current and future challenges.
- Promote the development of mature habits and skills that support lifelong emotional health.

INFRASTRUCTURE

Cardinal Warriors have made significant improvements in their infrastructure to achieve the highest possible standards in light of the huge strides that have been made in education and the infrastructure supporting education. Modern buildings and pieces of equipment are going to be put up in order to make the facilities that are already there even better. Cadets at this school have access to the best and most up-to-date facilities and amenities that the school establishment has to provide for its students.

To enhance the existing facilities, contemporary structures and apparatus are planned to be constructed. At this school, the cadets have access to the finest amenities and most modern conveniences that the institutions has to offer.

LIBRARY

COMPUTER LAB

WIFI CAMPUS

CLASSROOM

SCIENCE LAB

SMART CLASSROOMS

SMART LEARNING

At Cardinal Warriors, cadets benefit from state-of-the-art audio-visual and smart classroom technology, complemented by educational tablets pre-loaded with career-focused content and modules. These resources simplify learning, enabling cadets to grasp concepts more effectively and enhance their academic growth.

The meticulously designed laboratory building at Cardinal Warriors houses dedicated spaces for Mathematics, Physics, Chemistry, Biology, and Computers. Under the guidance of experienced teachers, students engage in hands-on academic exploration in these specialized labs. Additionally, students have access to open spaces and soft boards to showcase their learning, fostering a collaborative and interactive educational environment.

SMART CLASSROOMS

Our high-tech lecture halls are equipped with SMART Boards, enabling educators to teach cadets in virtual classrooms. The classrooms are transformed into dynamic hybrid learning spaces, where instructors can choose from a variety of instructional materials, including traditional chalkboards, as well as graphics, sounds, animations, and videos.

LIBRARY

Our library is a treasure trove of knowledge, thoughtfully curated to cater to diverse tastes and needs. With a collection of over 3,000 books spanning fiction, current affairs, general interest, and reference materials, it offers something for everyone. Additionally, we have integrated digital resources to enhance learning and provide a comprehensive academic experience.

LABORATORY

Cardinal Warriors features a dedicated laboratory block equipped for Physics, Chemistry, Biology, Computers, and Mathematics. Under the expert supervision of teachers, students engage in hands-on academic exploration, deepening their understanding through practical work.

EXPERIMENTAL LEARNING

Experiential learning is an integral part of the comprehensive education endorsed by Educational Boards. This approach immerses children in real-world experiences, helping them absorb knowledge, values, and cultural norms while broadening their interests—a crucial skill in a diverse country like India. To provide ample learning opportunities, students at all levels participate in field trips, treks, camps, and excursions to various locations. Their performance in these activities is assessed, and marks or grades are recorded in the Achievement Record to track their progress.

PROJECT BASED LEARNING

Project-Based Learning (PBL) encourages elementary students to engage in real-world projects, completing tasks with deadlines that involve problem-solving and complex questions. PBL expands knowledge, enhances creativity, communication, critical thinking, and presentation skills. At Cardinal Warriors School in Raipur, students are mentored through PBL to prepare them for future success.

NDA GUIDANCE

Education today focuses on building competence, knowledge, and skills. At Cardinal Warrior School, our dedicated team of teachers works tirelessly to help students achieve these goals. The school continuously develops programs to prepare students as future global citizens by offering the best education possible.

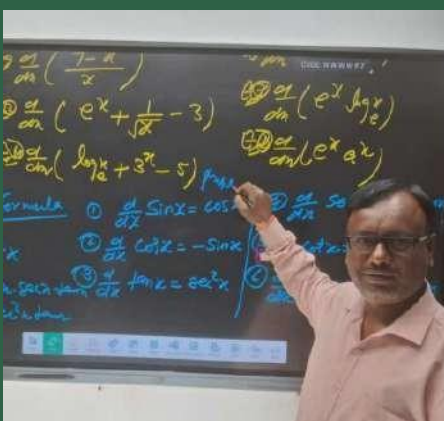

To support the curriculum, we provide special supplementary classes at different stages. These classes include study materials for school and board exams, practice tests for competitive exams, and more, helping students excel academically.

Additionally, students benefit from a mandatory National Defense Academy (NDA) guidance program, which trains them for officer roles in the Army, Navy, and Air Force, paving the way for a career in the armed forces.

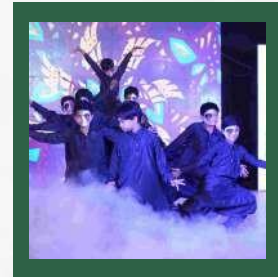

INTEGRATED COURSES

At Cardinal Warriors, we prepare students for lifelong success beyond academics. Along with rigorous military training, we offer career-focused courses like NDA, AISSEE, RIMC, CA Foundation, and NEET preparation. Our psychometric tests and counseling provide personalized guidance, ensuring students confidently pursue their goals. We're dedicated to shaping strong leaders and well-rounded individuals ready to excel in every endeavor.

Cardinal Warriors empowers students to excel both academically and in life's challenges through a holistic education approach. Combining military discipline, integrated career courses, and personalized psychometric counseling, we prepare students for success on every front.

CO-CURRICULAR ACTIVITIES

Cardinal Warriors cadets benefit academically from a range of sports and games. Schools offers sports and receive guidance from Retired Army veteran.

The school's academic calendar includes sports like football, hockey, cricket, basketball, volleyball, table tennis, yoga, and boxing to give cadets a competitive edge. Cadets must do morning P.T., engage in extracurriculars, and undergo mandatory military training.

Students can enhance their artistic and creative skills through theatre, art, woodworking, music, debating, and public speaking activities.

HOUSES

Each house has a unique spirit, with equal cadets. Professionals lead 30-minute morning P.T./Yoga sessions to enhance focus, immunity, and overall performance. These sessions, aimed at boosting well-being and academics, set a positive tone for the day.
